This Rapsody R36 is a classically styled, fast motor yacht with a surprisingly spacious open cockpit; it is a real eye-catcher, built by the renowned shipyard in Heeg in 2008. The distinctive, flowing, timeless lines immediately catch the eye. The stainless steel railings, rubbing strake and portholes emphasise this classic look and give the yacht a refined and luxurious finish. As well as its attractive appearance, it is also a motor yacht with excellent handling characteristics. With her Volvo Penta 260 pk engines and stern drive, combined with the trim tabs, the yacht is very fast and manoeuvres extremely comfortably, even in confined spaces.
On board, the yacht is fitted with two sleeping cabins offering a total of four berths, including a spacious owner's cabin with a French bed, which is accessible from both sides. The guest cabin features a double bed; it also has a wet room with shower and toilet, and, for added comfort, includes a heater and two fridges.
The engines and drives have recently undergone maintenance, and the yacht is ready for wonderful trips.
If you have any questions or would like to make an appointment, you are welcome to visit Elburg Yachting seven days a week.
