This beautiful Gillissen Steenvlet is a unique ship in the Dutch fleet. The ship has undergone a complete refit in 2008, which included new engines, new teak decks, new underwater ship, completely new interior, new electrics, updated technology. This special ship is therefore extremely suitable for today's demands on a ship without losing her authentic details. The ship has always been inside during the winter after her refit and is therefore still in a beautiful condition. This piece of Dutch Heritage is further supplied with: engine service (2022), cosy cockpit which can be closed off completely by the beige tent, 2 x separate helm seats, good overview from helm position, many stainless steel details in the interior, spacious sofa in the saloon, easily accessible bilges through floor hatches, good visibility from the cockpit and the cockpit. floor hatches, crank windshield, 2 x windscreen wipers, Zipwake trim system, cable fender all around the ship, stainless steel sills, stainless steel bollards, stainless steel railing, stainless steel portholes, lowerable mast for low aircraft, wide gangways.

For questions and/or to make an appointment you are welcome 7 days a week at Elburg Yachting.
