ELBURG YACHTING[®]

international yachtbrokers

This beautiful Super van Craft 14.80 is a particularly neat appearance on the water. A lot has been invested in the ship last year, making it ready to give you a lot of sailing pleasure in the coming years. Her spacious aft deck, large sliding roof in the saloon and fully lockable cockpit tent make the boat comfortable to use in multiple weather types and seasons. This Super by Craft is also extremely suitable for cruising the French canals partly due to the extra customised tent parts because of the French headroom of approx. 3.5m. This boat is equipped with: Full cockpit tent around aft deck with unrippable windows (2020), steering position also lockable with its own tent part, luxury helm seat with coxswain's bench at the same height, backrest, coxswain's bench can be folded down, refrigerator on aft deck, 4 x passage in railing, bulkheads around aft deck for extra wind protection, fender holders on foredeck, integrated bench on aft deck with matching cushions and cover, deck wash pump with deck connection, large sliding roof in saloon ceiling with insect screen, internet router for WiFi on board (own SIM card required), Fusion audio system with 4 speakers, electrical installation on board partly modernised with isolation transformer, thicker wiring for the induction cooker, Victron charge and inverter installation, 6 x batteries renewed, Victron BMV-712 Smart also readable via smartphone app, AEG washing and drying combination (2021), Siemens dishwasher, Mobeye alarm module for monitoring onboard voltage/temperature and any water leaks in the bilge, fresh water pump renewed in 2021, removable sunblinds around saloon windows and steering position, mosquito nets for portholes, Samsung TV in saloon on swivel bracket, extra heating at steering position, wind meter with wind direction, searchlight with remote control, new r. v.s. folding radar bracket over steering position, AIS for receiving and transmitting, double Racor fuel filters, VDO rudder position indicator, folding wood-painted mast on forward deck. Air draught with radar bracket up ca. 4.70m, with folded antennas ca. 4.20m and with folded bracket ca. 3.50m. Both main engines and the generator serviced in 2023. Antifouling renewed in 2023. All teak deck rubbers checked and replaced where necessary. Additional deck and exterior photos will follow shortly.

For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
