The Reliant X40T Limousine Tender is unique, custom-built 40-footer from the Reliant Yacht Group. (building year 2018, launched in 2019 and put into service in 2020)

Her clean lines, strong hull shape and modern look are inspired by the sister yacht. With her luxurious modern look, she looks like a modern Venetian water taxi. The yacht can be used as a tender for a superyacht. This Reliant X40T is one of a three tenders produced for use with a new superyacht. The focus of a limousine tender is to comfortably transport appr. 8 passengers to and from the mother ship.

The sister ship has been converted to fully electric propulsion: 2 x 20KW Bellmarine engines incl. 12 MG-Lifepo batteries with 85kw/h.

The saloon of the Reliant X40T Limousine Tender has a modern and luxurious look, high backrests at the sofa for comfort and safety. The salon features many windows for natural light and a 270-degree view all around. This makes it even more pleasant for the passenger to observe the experience on the water and the view of the scenery. The yacht features headroom in the saloon, a panoramic sliding sunroof window, leather blinds to create extra privacy, Fusion audio system, toilet, air conditioning, refrigerator in saloon, stylish and coverable sink including compact countertop. The Reliant X40T Limousine Tender features a comfortable open cockpit with generous seating. The 3 lifting hooks make it easy to lift aboard a superyacht.

The getting on and off the yacht is made easier by the stainless steel handles/rings which can be added at several positions in the deck. The deck is covered with Flexiteek. The yacht features storage space in the bow and several options under the floor.

Sailing during more turbulent weather conditions is no problem for the Reliant X40T Limousine Tender. The Seakeeper 3 Gyro Stabilizers provide excellent stability. She also features Side Power bow thrusters.

The helmsman's cockpit seats two crew members, who are protected by a clean-lined windshield surrounding the steering position. There is the option of putting a bimini hood over the helm station for protection of the skippers. The helm station features 2 luxuriously designed leather helm seats, Carbon dashboard, chrome elements, Raymarine Glass Bridge monitors, Yacht Control Joystick what makes for a luxurious look.

With her 2 powerful 425 hp Cummins QSB engines, she can achieve a cruising speed of appr. 26 knots and a top speed of appr. 38 knots.

Whether providing transfer as tender transportservice, taking atmospheric sightseeing cruises, providing luxury taxi-related cruises or just to enjoy with guests, the Reliant X40T Limousine Tender is multi-functional.

For questions and/or to make an appointment you are welcome at Elburg Yachting, 7 days a week.
