ELBURG YACHTING[®]

international yachtbrokers

From the highly renowned Lyman Morse Boatbuilding yard in Maine USA; this heavy, robust and wide 48 foot trawler. Lyman Morse, Maine - USA, at the time mainly built (semi-) custom built yachts and still exists. The craftsmanship is not only expressed in the solid and robust construction and technology, solid sailing behavior in heavy weather, but also in a far-reaching eye for practical detail and a very high level of finishing. The starboard engine was overhauled in 2023. The overhaul kit is available for the port engine. The overhaul of the port engine can therefore be carried on own behalf. The layout is particularly spacious for a 48-footer; first of all because of its width, no less than 5.30 meters, in which space has been found for 3 cabins and three bathrooms with 3 toilets and 3 showers, a galley with dinette, a spacious saloon, an aft cockpit with door to the aft cabin, and a flybridge with seating about 10 people.

For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week. Also visit the yard and see the quality: <https://www.lymanmorse.com>
