ELBURG YACHTING®

international yachtbrokers

Elegant and seaworthy Privateer Trawler 50 built by the renowned yard at Uitwellingergra Friesland. This sturdy trawler exudes all-out power and is designed for distant sea voyages. The seaworthiness of this yacht is characterised by, among other things, her large fuel capacity (appr. 5,918 litres) and her Vetus hydraulic fin stabilisers. During the construction process of the Privateer Trawler 50, only solid materials and high-quality technology were used. For example, the trawler is fitted with a beautiful teak deck all around and finished with beautiful solid marine teak. The boat information is controlled by the professional Yachtcontrol system. Thanks to her spacious design both inside and outside and on the Flybridge, it is a pleasant stay on board the Privateer Trawler 50. The gangways are spacious and feature 3 opening hull doors (2 on side and 1 aft). The yacht has 2 opening doors to the aft deck and the 2 side doors in the wheelhouse allow easy access to the gangways. The saloon is situated aft and features a comfortable dinette and a spacious galley. Via the saloon, you can easily move to the wheelhouse, which has a Recaro sailing chair, a large chart table and access to the spacious flybridge. Via the stairs to the forecabin you enter the corridor to the 3 cabins and the 2 wet rooms. The yacht's creep height is appr. 3.45 metres, making it suitable for France. The swimming platform has also been made foldable so that the yacht remains under 15 metres, making it licence-free to sail. For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting
