Beautifully built Pacific built in 2007 by Pacific Shipyard in the Netherlands for an experienced owner who commissioned the yard to build his yacht to even higher quality standards than the yard's existing high-end standards. The result is this stunning and elegant gentleman's motor yacht with all the features for comfortable sailing and live-aboard. Her interior exudes tranquillity with her spacious and bright saloon, she accommodates six guests in three comfortable cabins.

The combination of her quiet twin Volvo Penta D6-310 hp engines, bow/ stern thruster and her remote controlled docking system makes manoeuvring in harbours and locks easy. With her ROTOSWING stabilisers, she is ideal for longer distances and navigating rivers. Her navy blue hull and white topsides were professionally repainted in Alexseal in 2023. The teak decks were re-glazed and lightly sanded in 2023.

Through the wheelhouse, you access the spacious aft deck with fixed table through the French doors.
