Very young, rugged workboat for professionals or as an escort vessel / taxi at competitions or events, with towbeting fore and aft and alu T-top. Also for private use. The well-known Danish quality builder Tornado has a suitable model for every application in an extensive range of RIBS. This multi-purpose RIB is - the name says it all - at home in many markets. The similarity is impeccable handling, low tube water, and a no-nonsense finish, resistant to the elements.

This particular one is equipped with an alu T-top, a 200-litre fuel tank, consumption gauge, plotter, VHF radio, main switch, deadman's switch, towbeting fore and towbeting aft, battery charger, antifouling, tarpaulin cover, self-draining cockpit, and multi-function engine panel.

The whole boat is on a 2022 Freewheel double-axle trailer with removable lights and registration plate for ramps. Ready to go !

For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
