The Pegasus II was built in 1956, commissioned by a Rotterdam shipowner, in Bremen at Bootswerft Havighorst. She was built during the cold war and served her first years as an escape ship. She had a major refit in 1995 and combines a beautifully robust, classic sealer design with a practical layout for 6 to 7 people, furthermore she is equipped with modern technology including a washing machine in the front bathroom. This beautiful piece of ship's history is available for the real enthusiast with a feel for nostalgia and good maintenance. For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
