ELBURG YACHTING®

international yachtbrokers

This stunning new De Alm Grand Voyager 65 was built by Jachtwerf De Alm of Waalwijk and designed by Werner Yachting in combination with Azza Yacht Design. This yacht is very exclusively built in Grade A-steel finished with a very high-quality VANDENENDEN 2023 Awl Grip superyacht paint system. The yacht is built with a multi-twist hull combined with hydraulic stabilisers, two hydraulic spud poles and hydraulic bow and stern thruster. Via the double helm (1 x in the wheelhouse + 1 x on the flybridge), the yacht is also easy to steer via the Hydronautica remote control.

On board, one immediately notices the eye for space and design. The yacht has a very spacious design with plenty of height (standing room height in the saloon is over 2 metres). The modern oak interior in combination with the p.v.c. floor (with underfloor heating) has been skilfully created and provides a pleasant environment. In addition to central heating, the yacht has air conditioning in all cabins, the saloon and the wheelhouse. The yacht has three fully-fledged cabins with in the owner's cabin a spacious double freestanding bed and on-suite bathroom (length appr. 2 metres), to port two single beds (length appr. 2 metres) and to starboard a spacious double bed (length appr. 2 metres) + a single bed.

The spacious engine room is conveniently arranged and accessible in two ways, both from inside and outside. Behind the engine room, a handy extra space has been created where the washing machine/dryer is located and various items can be stored (accessible from the engine room as well as from the swimming platform).

The Alm Grand Voyager 65 is new and comes with a 1-year yard warranty in accordance with HISWA conditions.

For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
