ELBURG YACHTING®

international yachtbrokers

Beautiful and fast Bavaria 37 sport with extended swim platform, custom made in 2022 and fitted with solid teak. In 2022, the 'new style davit' was installed on this swim platform, a hydraulic davit system with a maximum capacity of 250 kg and remote control.

Furthermore, the yacht is equipped with Webasto heating inside and in the cockpit, dishwasher, LED cockpit lighting (also on the swim platform), teak in the cockpit, shore power connection, each living and sleeping area is equipped with at least 3 x 220v sockets, 2x flat screen TV. (excluding SIM card) electric toilet, the boat is equipped with EVC electronic throttles, Volvo Penta digital instrument panel, Sidepower bow thruster, and in the winter of 2025, the stern drives will be completely overhauled for a total of over €32,000. Unlike most boats with stern drives, there is no overdue maintenance here, so you can sail straight away!

A striking feature of this Bavaria 37 Sport is the unprecedented space on board and the pleasant layout with two spacious cabins that can accommodate four people. The cockpit is spacious and equipped with a comfortable helm with a passenger seat and a spacious dinette that can also be used as a sunbed. Under the sunbed is a large storage hatch and right next to it is the wet bar with sink, grill and spacious outdoor refrigerator.

The layout is practical with a nice dinette with fixed table and handy galley with plenty of storage space, induction hob, double sink, microwave/oven and spacious refrigerator with freezer compartment. It also has two spacious cabins (a double freestanding French bed in the forward cabin + two single beds in the spacious aft cabin) and a generous wet room with electric toilet, washbasin and large lockable shower cubicle.

If you have any questions or would like to make an appointment, you are welcome to visit Elburg Yachting seven days a week.
