This Vripack 42 MC, built in 2024 and launched in 2025, is a robustly styled steel motor yacht with an open cockpit, designed by Vripack Naval Architects. With its well-thought-out layout, high-quality equipment and luxurious finish, this yacht is ideally suited for comfortable cruising – both on inland waterways and at sea. One of the first things you'll notice is the spacious open cockpit, which flows seamlessly into the salon. Stainless steel patio-style doors open wide to connect the aft deck with the interior, creating a beautifully open and airy living space. A cockpit tent allows you to fully enclose this area and integrate it into the main living space – perfect for all-weather comfort. The salon features modern finishes, a headroom of approximately 2 metres and an abundance of natural light. An electric sliding roof enhances the outdoor experience, while a panoramic skylight in the owner's cabin below deck brings in daylight and adds a sense of openness and space. The stylish dinette both in the salon and on the aft deck offers ideal settings for dining, indoors or out. Sunshades around the cockpit provide extra comfort on sunny days. The yacht is also equipped with double stainless steel guardrails all around, emphasising safety and accessibility on deck. Onboard equipment includes proportional Side Power bow and stern thrusters with remote control, a MagnusMaster rotor stabiliser, electrically folding mast, and the EmpirBus CANbus system – all easily operated via the Raymarine Axiom 12+ display. Comfort-wise, the vessel leaves nothing to be desired: Kabola HR400 Combi central heating, Siemens induction hob, built-in AEG microwave with grill, Isotherm fridge with freezer, AEG washer/dryer combo, Samsung TV on electric lift, and a deck wash connection for easy exterior cleaning. The electrical system is generously equipped with a Northern Lights 7 kW generator, four Sunbeam Tough Black solar panels, two Ultra Lithium 5.5 kW 24/5500 service batteries, and a comprehensive Mastervolt installation. Additional features include a fixed shaft, Lopo Light LED navigation lighting, Luxaflex blinds, and a Mass GI 3.5 isolation transformer. A yacht that excels in style, practicality and onboard experience.

For questions and/or to make an appointment, you are welcome 7 days a week at Elburg Yachting.
