Beautiful classic De Ruiter Kruiser 12.50 Open Cockpit offered by an owner who has put a lot of love into the yacht. This De Ruiter Kruiser was built in 1979 in Hoogeveen by the renowned De Ruiter shipyard. The yacht is equipped with a powerful 6-cylinder Ford diesel engine that delivers 110 hp. In 2006, the diesel engine underwent a professional overhaul and the engine has been professionally maintained annually by a marine engineer. Due to the level connection between the saloon and the cockpit (open cockpit), the yacht has a clearance height of appr. 2.45 metres, allowing it to access a large sailing area. In recent years, considerable investments have been made in the yacht. Among other things, a new boiler was installed in 2018, the hull was completely painted in a 2k system in 2019, the superstructure was completely painted in a 2k system in 2020, and the woodwork outside and in the cockpit was varnished. In 2020, a new cockpit tent with stainless steel frame (with mosquito nets and sunshade) was installed, in 2021 new carpet was laid inside, in 2022 a new winter tent will be installed and the yacht's gas installation is inspected every three years. For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
