ELBURG YACHTING[®]

international yachtbrokers

This beautiful Argos-Line 13.50 AK (Achter kajuit) is being offered by its first owner. It is a spacious and beautifully designed yacht with two spacious cabins that can sleep 5 people + dinette (sleeping space for another two people). The afterdeck is spacious, has a cosy round seating area, a clear helm, Eberspächer hot air heater, Isotherm cooling drawer, deck wash pump and is covered with a recent aft tent (2022); the old aft tent is also included. The saloon has a beautiful round seating area with lots of light. Further forward is the galley with on the other side the dinette. The yacht is heated by Kabola central heating with a hot air heater on the afterdeck and air conditioning in the owner's cabin (aft).

In recent years, the owner has given the yacht a lot of love. Among other things, the yacht was completely repainted in 2021, the rear tent was completely replaced in 2022 (the old one is still present), and a Victron Energy Cerbo system was installed (this is a remote-controlled charge control station that also provides information about water and diesel levels). The owner's cabin is equipped with a slatted base and Neptune mattress, and the double bed in the forward cabin has a slatted base and special mattress.

For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
