The Pikmeerkruiser 12.50 Exclusive Flybridge is a stylish and fully equipped motor yacht with an attractive layout and practical sailing characteristics. The yacht features a spacious bathing platform with a transom door, providing direct access to the generous open cockpit. This cockpit can be closed off and, thanks to large French doors, seamlessly connects to the saloon, creating a pleasant living area. The saloon is fitted with a classic nautical interior finished in mahogany, a wooden floor, and recently installed premium curtains. Two steps down from the saloon lead to the open galley, where the separate shower and toilet compartments as well as a sleeping area in the forepeak are located. The forward cabin is equipped with a V-berth that can easily be converted into a large double bed. Propulsion is provided by a 159 hp Vetus Deutz DT-64 6-cylinder diesel engine. Technically, the yacht is equipped with a wet exhaust, water-lubricated propeller shaft (diameter 45 mm), a closed cooling system, two rudder angle indicators, and dual electronic engine controls. Both the engine maintenance and the generator maintenance were carried out in 2025. In addition, antifouling was applied in 2024.

The yacht is fitted with two helm stations (inside and on the flybridge), an aluminium folding mast, and comfort-enhancing equipment such as air conditioning, central heating, a washing machine, a generator, and three windscreen wipers. The engine room is accessible via insulated floor hatches in the saloon. On deck, various stainless steel details have been applied, including double stainless steel railings and a stainless steel handrail along the superstructure, ensuring safe passage around the gangway. The teak-laid bathing platform and flybridge add to the luxurious character of the yacht. The flybridge is also equipped with a bimini.

With an air draft of approximately 3.20 metres, a cruising speed of around 10–12 km/h and a maximum speed of approximately 18 km/h, this motor yacht is suitable for a wide variety of cruising areas, both inland waters and longer voyages.
