Sporty and highly seaworthy Nord Star Patrol 42 offered by its first owner. This fully equipped Scandinavian Nord Star is a true quality yacht with luxurious features. Among other things, she is equipped with a teak deck all around + swimming platform with double stainless steel guardrails with railings, fender holders, electric sunroof and large spotlights on the wheelhouse. With seaworthiness in mind, the wheelhouse is equipped with negative windscreen angles, allowing spray to fall downwards in rough seas and thus ensuring good visibility. The wheelhouse is easily accessible from the spacious open cockpit with fixed bench, cockpit tent and cosy cockpit table via the stainless steel sliding doors. The wheelhouse is very efficiently laid out, with a spacious and, above all, very cosy dinette with a lowerable table (which can also be used as a bed), TV + stereo, galley with double sink, induction hob, combi oven and worktop, and, of course, the well-organised helm on the starboard side. The wheelhouse is easily accessible on both sides via the side doors from the gangways, which is very practical when mooring and unmooring. The forward cabin is equipped with a beautiful freestanding double bed and nearby sanitary facilities (separate toilet and shower). The aft cabin is accessible from the rear of the wheelhouse and has a spacious double bed amidships and a nearby toilet with washbasin.

In terms of sailing characteristics, this Nord Star Patrol 42 really stands out. It is powered by two 440 hp Volvo Penta engines, enabling it to reach a top speed of approximately 40 knots and a comfortable cruising speed of around 20-25 knots with relatively favourable fuel consumption. The yacht is easy to manoeuvre using the Volvo Penta Joystick system and also features a Dynamic Positioning System that keeps the yacht in place at the touch of a button. The yacht is equipped with Zipwake active trim tabs and Volvo Penta Power Trim and Autopilot. It also has a comprehensive Simrad navigation system with radar, wind set (wind direction and speed) and camera system (rear).

In short, a young, sporty yacht with a full list of options offered by its first owner! For questions and/or to make an appointment, you are welcome to visit Elburg Yachting.
