This Axopar XC Cross Cabin is a versatile and sturdy yacht. Thanks to its V-Stepped hull in combination with Joystick Piloting, it performs well on larger waters with a higher top speed and is very easy to manoeuvre. It also features a double cabin and a wet cell. The yacht is beautifully styled with the Brabus Line Trim Package and gives a luxurious and beautifully finished impression. This Axopar is powered by two 300 hp Mercury Verado engines. It is easy to move around thanks to the gangways and the two side doors in the wheelhouse that can be opened. There are two spacious sunbeds located in front of and behind the wheelhouse. The wheelhouse is equipped with windows all around, providing an optimal 360-degree field of vision. The wheelhouse also features a cosy dinette with a refrigerator under the captain's/co-pilot's seat. This yacht is a sporty all-rounder and comes with, among other things: LED lighting all around, Webasto electric sunroof, enlarged storage space in the forward cabin, sunbed on the foredeck with storage space, Webasto heating, window covers, Dometic refrigerator, searchlight with remote control, outdoor shower with hot water, underwater lighting, water ski bracket, Audio system with 5 speakers inside and 4 speakers outside, toilet room with shower and covers for outside cushions. For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
