This young Bavaria E40 is offered by her second owner. Built with plenty of useable space for her size, the Bavaria E40 Sedan features three full cabins. This example is equipped with the top engine, a 300 hp Volvo Penta D4 with fixed shaft transmission, which achieves a top speed of approximately 13 knots. The cockpit offers space for approximately eight people and runs parallel to the side decks. From the open cockpit, there is a short passage to the saloon, where the raised helm station is located on the right side. The helm station offers space for at least two people and is equipped with all the necessary modern navigation equipment, including electric bow and stern thrusters controls, a fixed Simrad HS35 VHF radio with a second paired handheld device, a Simrad NSS Evo 3 plotter with autopilot, and a Fusion audio system with volume controls in both the saloon and cockpit. A spacious galley is located to port of the saloon, with the dinette on the starboard side offering a full view around. The saloon features large windows that create a sense of space and allow plenty of natural light. Three sliding windows are located between the helm station and the cockpit, allowing the captain and his guests to enjoy the cruise together. Forward in the ship is a double beth, with a toilet on the port side and a shower enclosure on the starboard side. Behind the helm station, a staircase leads down to the second and third cabins, each with a double bed. There is also a second bathroom with a shared shower and toilet. This Bavaria E40 is also equipped with: integrated cockpit benches with removable cushions, a complete cockpit tent (2025), removable stainless steel davits, a foldable bathing platform in the transom, two roof hatches in the saloon and two sliding windows (starboard and portside), cushions available for sunbed on frontdeck, large storage hatch in the bow, a TV in the saloon and all cabins, and a stainless steel mast with top light which can be folded achieving a minimum height of approximately 3.80m.

For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
