The Delta 26 Open is a compact yet sporty cruiser that combines style, performance, and comfort in a versatile and sleek design. Perfect for day trips or short cruises, this boat offers an open layout that provides plenty of space and a direct connection to the water. With a sun deck at the bow, a well-equipped helm and comfortable seating, it is an ideal boat for enjoying sunny days, both on inland waters and along the coast.

Delta Powerboats is known for Scandinavian craftsmanship and high-quality construction, and the 26 Open is no exception. The robust construction, elegant lines, and thoughtful layout make the boat both stylish and practical. For a true boating experience, the Delta 26 Open is equipped with a powerful 380 hp V8 Volvo Penta engine, which guarantees impressive speed, responsive steering, and sporty boating pleasure. In addition, the boat is equipped with Volvo Penta Electronic Shift & Throttle, Keyless Start-Stop, and a Trip Computer that ensure accurate, smooth, and safe sailing, while automated Zipwake interceptors further improve stability. Windshield wipers and a defroster make sailing in changing weather conditions comfortable and hassle-free.

Comfort and entertainment are also well taken care of on board. The Fusion audio system with extra speakers and subwoofer delivers high-quality sound, while USB and 12V connections at both the helm and the cabin ensure that all your devices stay charged. The interior and seat upholstery have been upgraded, making it extra stylish and comfortable on board.

If you have any questions or would like to make an appointment, you are welcome to visit Elburg Yachting seven days a week.
