The Delta 33 Coupé is a sporty and versatile cruiser that excels in both performance and comfort. This boat is designed for water sports enthusiasts who enjoy longer trips, whether on the Wadden Sea or through the inland waterways of the Netherlands. With two spacious sleeping cabins and complete accommodation on board, you can also spend longer stays in comfort. Thanks to its shallow draft of only 95 centimeters, you also have a wide range of waterways at your disposal, from shallow rivers to the open sea.

Delta Powerboats is known for Scandinavian craftsmanship and quality. The boats are robustly built, have a well-thought-out layout, and an elegant, sporty look. The 33 Coupé combines this build quality with modern technologies, such as a stepped V-hull that provides stability, speed, and efficient fuel consumption, and a soft roof-top system that allows you to sail both open and closed. This means you can always enjoy the weather, whether it is sunny or less favorable.

The interior of the Delta 33 Coupé is cleverly designed and offers a high level of comfort. The saloon is light and spacious, with a panoramic view through the large windows. The boat is equipped with a full kitchen, a wet room with shower and toilet, and ample storage space under the sunbed and in the bow. Additional comfort is provided by windshield wipers, a defroster, USB and 12V connections, and a sun deck at the rear. For the audio experience on board, there is a Fusion audio system, complete with additional subwoofers and speakers.

The 33 Coupé is also well equipped technically. The boat features Volvo Penta Keyless start-stop, a trip computer, and electronic Shift & Throttle, combined with automated Zipwake interceptors.

Together, these systems ensure safe and easy sailing, regardless of the conditions. Delta boats are built to last and offer a perfect balance between sporty sailing pleasure and luxury on board.

The Delta 33 Coupé is a sporty, comfortable, and reliable boat for anyone looking for adventure on the water without compromising on quality or comfort.

If you have any questions or would like to make an appointment, you are welcome at Elburg Yachting seven days a week.
