Valk Continental 1900 – Luxury, space and comfort on board.

On board this Valk Continental 1900, you will experience an exceptional sense of space and connection to the outdoors. The spacious wheelhouse forms the heart of the yacht, with the helm station forward and a comfortable dinette directly behind it. Thanks to the panoramic view, this is an ideal place while cruising as well as when staying on board. Four-part stainless steel doors connect the aft deck seamlessly to the wheelhouse. The sliding sunroof and two side sliding windows provide an open-air feeling, even when you are inside.

The wheelhouse is fully equipped, including autopilot, radar, chartplotter, camera system, electric searchlight, Hydronautisch remote control for motor, bow and stern thrusters, interval wipers, VHF radio, and other accessories. Everything is in place for both relaxed and safe cruising, regardless of the sailing area.

From the wheelhouse, a small level change leads to the spacious salon, finished in teak wood with cream-white leather upholstery and generous natural light from the large windows. The salon is elegantly illuminated with built-in LED lighting and features a flat-screen TV, ensuring relaxation on board. Just a few steps down from the salon, you'll find the fully equipped galley, featuring a Corian countertop, ceramic cooktop, extractor hood, Bosch oven, combination microwave, and double refrigerator. Everything is in place for full onboard living and cooking.

The owner's cabin at the rear is particularly spacious and spans the full width of the yacht. This luxurious full-beam master cabin features a freestanding double bed, an en-suite bathroom, ample closet space, and attractive finishes.

Comfort has also been fully implemented outside. The yacht has a teak deck all around and a large bathing platform with integrated gangway and lighting. A lazy staircase from the aft deck makes access to the bathing platform extra comfortable.

This Valk Continental 1900 is in excellent condition. In the past period of 2025, various work has been carried out on the yacht. The list is available on request and includes anti-slip on the decks, a new marine radio, engine maintenance, Hydronautica remote control, hull polishing, Kabola maintenance, generator maintenance, new inverter, new antifouling, and new anodes.

For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
