# ELBURG YACHTING<sup>®</sup>

international yachtbrokers

This stunning 2018 Elling E4, built to CE-A standards, is a robust and comfortable motor yacht. She is ideally suited to longer voyages around the world and, thanks to her well-thought-out layout, is also very suitable for extended stays on board.

The yacht has a well-maintained appearance, a warm finish and a practical layout with plenty of living space. This 2018 model is also fitted with the updated corner sofa near the helm, underfloor heating in the wheelhouse and Fusion audio.

The yacht offers great ease of use whilst underway. The Hydronautica remote control, together with the camera system, makes manoeuvring in harbours very straightforward. Furthermore, the boat is fitted with an electrically operated sunroof at the helm and an electrically operated radar arch.

This Elling E4 is powered by a 435 hp Volvo Penta engine, achieving a top speed of approximately 17 knots. With its low draught of approximately 3.45 m, its operating range is very extensive, covering both inland waterways and the open sea.

For any enquiries or to arrange a viewing, you are welcome to visit Elburg Yachting 7 days a week.
