This Linden Spiegelkotter 14.50 is a professionally built, high-quality motor yacht with a timeless appearance, excellent cruising characteristics, and a beautifully finished interior. Thanks to the generous headroom, comfortable layout, and comprehensive equipment, this vessel is ideally suited for extended cruising as well as long-term stays on board.

The inviting saloon features a spacious seating area, a luxurious modern helm seat, and an additional engine control station with autopilot controls, allowing the yacht to be comfortably operated and manoeuvred from inside the saloon. The owner's cabin is equipped with luxurious Neptune mattresses, renewed in 2022, providing outstanding sleeping comfort. The forward mattresses are also fitted with protective covers.

Comfort has been carefully considered throughout the yacht. Central heating in combination with double glazing ensures pleasant cruising in all seasons. In addition, the yacht is equipped with a washer/dryer combination.

Over the past several years, the yacht has been maintained with great care and attention, with numerous important maintenance works carried out. The hull was repainted in 2022, followed by the superstructure in 2022/2023. The Python Drive was replaced in 2022. In 2021, an upgraded heavy-duty alternator was installed, together with a new sprayhood. A Mebo automatic fire extinguishing system was installed in 2023. As preventive maintenance, the engine exhaust manifold and cooling water hoses were replaced in 2025. Furthermore, a new bimini was fitted in 2025, and the exterior upholstery was professionally cleaned. A selection of spare parts is included on board for future maintenance.

On deck, the yacht is equipped with no fewer than 16 stainless steel mooring bollards, a hydraulically lowering mast making the yacht "France Proof", and a teak gangway providing comfortable access on board.

A very well-equipped and exceptionally well-maintained Linden Spiegelkotter 14.50, built for comfortable cruising on both Dutch and European inland waterways.

For further information and/or to arrange a viewing, you are welcome 7 days a week at Elburg Yachting.
