This beautiful Prestige 460 Flybridge is presented in very good condition and is a popular model in the luxury motor yacht segment. She offers a practical and comfortable layout, with plenty of usable space for both shorter trips and extended stays on board.

The spacious flybridge features ample seating and a second helm station, making it a pleasant place to enjoy the outdoors while cruising. The aft deck provides an additional comfortable outdoor living area and can be enclosed with the neat aft canopy. A sunshade is also fitted over the aft deck, while a separate sunshade is provided for the forward windscreen.

The interior has a modern and tasteful design, with large windows providing plenty of natural light. The spacious and open salon offers a pleasant connection between the interior and exterior living areas. The yacht features two comfortable cabins. The forward cabin is fitted with a double bed that can be extended and converted into two separate single beds. Throughout the yacht, the good headroom contributes to the comfortable and spacious feel on board.

Powered by twin Volvo Penta IPS 600 engines, the Prestige 460 combines good performance with comfortable and predictable handling. The joystick control, together with the independently operating IPS drives, makes manoeuvring in confined spaces straightforward and precise.
